Message From the Principal

Our Spring ISTEP+ testing is just around the corner for our third, fourth, and fifth grade students. The Indiana Department of Education has scheduled testing Part 1 from February 27 – March 10, and testing of Part 2 will run from April 17 – May 5. ***Study Island*** is a great program to use at home to practice essential skills. (Students use the same login information that they use at school). Additional information regarding **ISTEP+ and IRead 3** assessments can be found online at the Indiana Department of Education website at www.doe.in.gov. Classroom teachers will be sending home information regarding specific testing schedules (with dates and times), so be sure to check your child's weekly folders and teachers' websites. Remember that it is essential that students are present and on time each school day. Continuous improvement is only possible when we all work together.

Your partnership and support is appreciated!

Becky Bartlett

Principal
