All NPUSC schools are planning a primary site evacuation drill. This means we will be practicing evacuating the building and walking to our evacuation site, which is the First Christian Church in Rolling Prairie. If the weather is poor, we will evacuate by bus. It is important to practice this drill in the event of a true emergency. Our drill is scheduled for Thursday, May 11, at 9:00 am. Don't be alarmed if you see or hear about all students evacuating the building. It is just a drill. All staff will be supervising and monitoring students during the drill. Additionally, the NPUSC School Resource Officer (SRO) will be present along with the LaPorte County Sheriff's Department. If you have any questions about this drill, please contact the school office at [\(219\) 778-2018](tel:2197782018).

☺☺ **Have a safe and wonderful summer** ☺☺
